BOOK of the month

DID JESUS REALLY RISE FROM THE DEAD

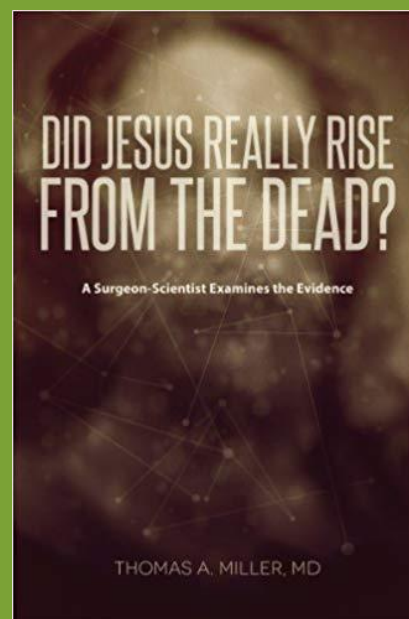

BY THOMAS A. MILLER, MD

How can a respected scientist believe in the resurrection? Can I trust the Bible's account that Jesus actually rose from the dead? If the resurrection really occurred, of what importance is it to you and me?

Our ready embrace of the authority of science has left many doubting that Jesus's resurrection was a verifiable, historical event. Yet Thomas Miller, an experienced scientist and well-respected surgeon, challenges the notion that modern medicine has disproved the possibility of the resurrection.

Through careful investigation of the evidence and evaluation of its reliability, Dr. Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection.

April Missions

Said and Habiba are missionaries who have been ministering as witness for Christ in country that is hostile toward Christians and external missionaries. This is especially difficult because missionaries are not accepted into the country but, because of their citizenship, they have the opportunity to share their testimony with people who might not otherwise hear the gospel message. They have a passion to not only share what Christ has done in their lives with others but also disciple them and help them grow in their faith.

“We thank God for supporting and protecting us during all these years and his faithfulness with us.

Brothers and Sisters in Christ and partners in ministry I thank God for you and your support to us during all these years and I pray that God will always be with you.”

Said and Habiba are our **Missions Commitment** focus for the month of April. Said helps to lead a coalition of home churches in a country that is hostile toward Christians and missionaries.

Said helps to lead a coalition of home churches in his home country while at the same time utilizing technology to help spread the message of Jesus. In the last year over 400 people have come to a profess Jesus as their Lord and savior because of the work of Said and his family. Prayers are always appreciated as this is an especially difficult and dangerous place to be a believer in Christ.

workers have been asked to leave the country for different reasons.

- Women’s ministry & strategies to reach women
- Security for family and church members.

Prayer Requests & Current Needs:

- Funding for a church location
- Pray for new Pastors in the country.
- Many Christian

GET INVOLVED AT SHEPHERD OF THE HILLS

Nothing about the Christian faith is by accident, it all requires being intentional about your relationship with God. We encourage everyone who attends Shepherd of the Hills to this intentional approach to our church through service and fellowship. We want everyone at Shepherd of the Hills to be committed to growing in the faith with these brothers and sisters in Christ.

Once a quarter we offer a Shepherd 101 class for those who are interested in learning more about our church community. We want to help you find ways that you can get involved in fellowship and service.

If you would like to attend a Shepherd 101 class, please sign up at the welcome desk in the foyer or [email Pastor Collin at cmonger@soth.church](mailto:cmonger@soth.church) to be added to the list.

MINISTRY SPOTLIGHT

Shepherd of the Hills Church takes significant effort to offer our community a high-quality Christian-based educational preschool and kindergarten for children. The Christian School is God centered, believing all truth is God's truth, and dedicated to helping parents prepare their children for Godly success in their faith, life and academic career. The mission of SOTH Christian School is to work in partnership with families to foster the spiritual, intellectual, social, emotional, and physical aspects, of each unique child.

"Train up a child in the way he should go, and when he is old he will not turn from it."

Proverbs 22:6

Throughout the day, our dedicated staff guide our young students through a carefully and deliberately planned curriculum that includes reading, mathematics, learning to follow instructions and other skills designed to give children the tools they need when entering grade school.

Today, the school is a completely self-generating program, funded by student tuition and generous congregational support from members like you.
